BOARD OF EDUCATION ASSESSES MEDICAL POLICY

At the regular meeting of the Board of Education of the Albany Unified School District, held Thursday evening, January 11, members approved a pupil accident insurance policy which will be taken out to provide medical expense to any child injured while under the jurisdiction of the Albany schools.

This policy will provide coverage of medical expense up to \$250 for any pupil who sustains bodily injury, sickness or disease caused by accident during his attendance at regular day school. It was explained that the expense of the policy is very small, amounting to 50 cents per year in average daily attendance. The expense to the district to offer this protection for the remainder of the present school year would therefore amount to 25 cents per pupil or a total of \$685 for the year. This policy, in addition to the regular liability insurance carried by the district at the present time, two new teachers were approved for employment at Codornices School, Mrs. Dorothy Emerson and Mrs. Ellen Burchfield.

It was reported that health services at the schools have been improved. Mrs. Marguerite Work now devotes full half day of employment to medical services. Mrs. Work has also been appointed by the city of Albany as assistant city health nurse. Approval given to the employment of a public health nurse, Mrs. Jeanne Randano, on a half-time basis, to serve at the Child Care Centers and Codornices School.

The Board also approved the appointment of Mrs. Joan Egli to replace Mrs. Marilyn Lincoln as secretary to Superintendent Paul Bryan. Mrs. Lincoln is to join her husband who is in the armed forces and at present stationed in Tennessee.

Pre-School Center Is Success

An attendance of 3985, representing an average of 44 children for 88 days' instruction, marked the Albany Recreation Department's Pre-School Play Center for the six months ending December 31.

Edwin S. Howell, superintendent of recreation, reported that Mrs. Nell Curran, director, was assisted by 76 mothers who contributed 2793 hours to help supervise the children. So successful has been the Pre-School play center for children 2 to 4 years, 9 months, which is financed jointly by the city and Pre-School Mothers' Club, that there are now 30 children on the waiting list.

Contributing to the success of the school, the recreation head says, is the Pre-School Mothers' Club comprising a membership of 50 mothers who raised \$535.54 and expended \$379 for food, supplies and equipment during the past six months. Mothers participating in this project attend classes provided by the Albany Unified School District each Wednesday morning in the Recreation Center Building under the direction of Mrs. Werner.

matron at Codornices.

The Board also approved the appointment of Mrs. Joan Egli to replace Mrs. Marilyn Lincoln as secretary to Superintendent Paul Bryan. Mrs. Lincoln is to join her husband who is in the armed forces and at present stationed in Tennessee.

Cornell Jr. Police Given "Bean Feed"

Members of Cornell Junior Police were guests at a "bean feed" Tuesday evening. Through the efforts of Mrs. Fern Cambis, safety chairman of Cornell P. T. A., the Women's Special Police gave the youngsters this evening of fun.

There were 60 boys present and the three guests of honor were Mrs. Schroder, school adviser; Officer Newhouse of Albany Police Department and William Woolworth, principal at Cornell.

Sitting with the guests were Captain Herbert Layton and his two assistants Jimmy Brunstein and Billy Castell.

Among those who assisted in giving the dinner were Mabel Hayes, Aylene Honnert, Mrs. Fern Cambis, Rosalie Scofield, Lucille Gilstrap, Vilma Brown, Hazel Foster, June Miller, Claudia Jurgensen, Pauline Johnson, Hazel Gaspari, Nora Phelps, Grace Bonvincino and Lillian Nieper.

The P. T. A. donated the cola and orange drinks while the balance of the menu was donated by the W.S.P.

W. H. Park to Head Red Cross War Fund Drive

William H. Park, prominent Berkeley civic worker and district manager for the Pacific Gas and Electric Company, will head the Red Cross War Fund Drive in Berkeley and Albany in March. News of his appointment was made known this week at Berkeley Chapter headquarters.

President of the Berkeley Traffic Safety Commission, and a past president of the Berkeley Chamber of Commerce, Park is also a member of the Berkeley Rotary Club, City Commons and Breakfast clubs. He joined the Pacific Gas and Electric Company 23 years ago and has been Berkeley district manager since 1939.

Now engaged in planning the campaign, Park will announce soon the name of chairmen and key people of Berkeley and Albany who will assist during the drive. American people everywhere will be asked to help carry on Red Cross work both in the war zones and on the home front.

People of Albany and Berkeley will be asked to raise \$218,000. Of this sum, the local Chapter will retain \$65,000 to maintain its extensive local operations, the remainder, \$153,000 will go to the National Red Cross.

Students Entertain P.T.A. Members

"Be sure to have a democratic form of government in the home, not a patriarchal or a patriarchal form, if you would live in a democratic community," advised Mrs. Alma Chambers, at Albany High School Parent-Teacher meeting on January 11.

Mrs. Chambers is a member of the Berkeley public schools and has been active in Parent-Teacher and adult education for many years. She spoke on the theme "How Can Our Homes Affect the Life of the Community." On the program with her were Roy Swan, who played a trumpet solo, and Norman Lewis who accompanied him. The boys are members of Armin Wegner's instrumental music class.

Among projects the P. T. A. has contributed to recently are magazine subscriptions for the S. S. Berkeley, new equipment for a class of spastic children, and the Student Aid clothing room.

Mrs. F. R. Pickering gave a detailed report on the hospital aid carried on by members of her Girl Scout troop of Albany High.

Mrs. Alfred Paget, membership chairman, announced a total of 162 members to date.

Legion Post To Entertain Hospitalized Vets

By WALTER HOLLAND

On Friday evening at the Albany Memorial Building, Albany Post 292, the American Legion, will stage an entertainment program for the convalescing veterans in the service hospitals of the Bay Area. Notices and invitations have been forwarded to all the recreational officers in charge of making up the parties of veterans to be the guests of Post 292.

As a special feature the Berkeley Lodge B. P. O. E. Glee Club has been invited to participate in entertaining the boys and according to Leon Turnbull, who with George Young arranged the details of Glee Club's appearance, their part of the evening promises to be gleeful.

After the Elks have done their part of the show the Post will take over under the direction of Mason Layton, entertainment chairman. It is expected that Lee J. Carroll will be master of ceremonies.

The registering of workers for the Tin Drive, Sunday, January 28, and the first report and action for the Annual Smoker will be the only business transacted prior to the evening's entertainment.

The Tin Drive, which is under the sponsorship of the Post with Godfrey Hanson as general director, promises to be bigger than ever. Hanson states that he has secured more equipment for the pickup and he hopes as the day approaches that the man power will be equal to the equipment. He said: "I know the home makers of Albany will do all they can to have the cans and tin ready on the curbs for the January 28 drive. All empty collapsible tubes, such as tooth paste tubes, may also be included in the tin collection."

Mrs. Rolland Keppel Passes Away

Monday, January 15, death claimed Mrs. Rolland B. Keppel, 38, of 1130 Evelyn Avenue, four weeks after she had given birth to a daughter. The young mother passed away in an Oakland hospital.

Besides the infant daughter, Kathleen, she leaves three young sons, Geoffrey, Bruce and Stephen, and husband, Charles W. Keppel, an employee of the Pacific Gas and Electric Company in Richmond. The deceased was the sister of Rodger and Gaston Auger and daughter of Edward Auger all of New York. She was a native of Canada and had lived in Albany nearly ten years.

Mrs. Keppel was a talented musician and taught piano. She was the center of a complete family circle and extremely popular in her neighborhood.

Funeral services were held at 4 p. m. Wednesday from the Drawing Room of the Ellis Co. Mortuary on San Pablo Avenue. Committal services were held at Berkeley Crematory.

Congratulations

Mr. and Mrs. Alvin Mineart of 905 Evelyn Avenue are receiving congratulations upon the arrival of a son Tuesday morning at the Albany Hospital. The young man weighed in at 5 pounds, 10 ounces, with Dr. Robert McMahon as attending physician.

Awaiting the Mineart heir at home are his sister, Patricia Kay, aged 3, and his grandparents, Mr. and Mrs. P. W. Mineart. When questioned as to what she might want to name her brother little Patty Kay said: "I don't like 'Butch' but I do like Santa Claus—maybe that would be a good name."

Never was the need of blood plasma and whole blood more urgent than now. Have you "signed up" and kept that date with your closest blood donor center?

Rezoning Plea Again Before City Council

Presented to the City Council Monday evening was a petition to rezone the area in the vicinity of Solano Avenue and Peralta Street. The petition was presented by C. F. Eschwig, attorney for E. M. Foust, operator of the Perfection Welding Shop on Solano Avenue. The document was signed by 24 residents of the area.

Controversy regarding the legality of operating an industrial shop in the neighborhood has been going on since last June when the council issued a special permit authorizing Foust to operate the plant—a war industry. However, during December, a resident in the welding shop vicinity complained to the council that the noise from the shop was making it impossible for him to get proper rest during the day—explaining that he is on the night shift of a nearby war plant.

On December 7 the council cancelled the permit when it was learned that there might be the possibility it had not the right to authorize the permit. A letter was received by the council from the Maritime Commission stating that work done in the Foust shop is vital both to the Maritime service and the Navy and asked for an extension of the permit.

After receiving the petition the governing body referred it to the Park Planning and Zoning Commission for recommendation regarding re-zoning of the area.

Marin Dads' Club Entertain Sons

The Marin School Tumbling Team under the direction of Mrs. Farmer will put on its first public demonstration. Len Callen of Albany High School has promised three fast boxing bouts between some of his high school boys, and there is good possibility of a judo demonstration.

In addition to the above there will be a half hour comedy picture.

Ice cream and cookies will be served the boys after the program, and coffee will be served for the Dads.

President Charles Markley emphasizes that this night is for all Marin School boys and their dads, and urges that the Dads and Sons make a special effort to get together and come down and have a good time.

Oiler's Skid on Cougar Court

Albany High's varsity basketball squad, after losing 5 out of 6 practice games, came back last Tuesday to cop their first A.C.A.L. tilt against Richmond 22-21 in a thrilling finish. After a ragged and rugged first half the boys settled down and things began going a bit badly for the Cougars as Richmond slowly whittled down their 4-point lead.

Near the end of a hectic fourth quarter Albany's newly-elected captain, Larry Gann, came through with a bucket and a free throw to put the Cougars into the lead for the remainder of the game. Gann was high point man with 11 points for the Cougars while Cronin copped high point honors for the Oilers with 7 digits. Albany looked much better than in previous engagements and more practice in passing and free throws should make them an outstanding team.

In the "B" game, the Albany lightweights took Richmond in a 27-22 win to make it the sixth straight. Captain Roy Pasini was high point man for the game with 9 points and Bill Shyers with eight digits. Alvarez of Albany and Bryant from the Oilers tied with 6 points.

Handy with tools?
This job may be
up your alley

This is a good job. And a bit
unusual in many ways because it's
got just a bit more excitement and
real life than "stuffy" to it than
most jobs. The work: Helper in
Southern Pacific's big R.R. shops
or roundhouses . . . working with
skilled craftsmen on locomotives,
rolling stock, other R.R. equip-
ment. You don't need to be ex-
perienced—just willing. If you
wish, you can learn railroading on
the ground floor . . . learn a fine
craft from men who know their
business. You'll be part of a fine
outfit . . . a company whose big-
gest job still lies ahead: carrying
the war load for the huge Pacific
offensive. Regular railroad wages.
Fine pension plan. R.R. pass priv-
ileges. Medical services. Investigate
today.

REMEMBER WHEN

—the big are lights hung on the corners?
They gave a flickering light and could
be made to sputter by jerking the rope
by which they were raised and lowered.
Every few days a man came to change
the carbons and gave the burned out to
children for "pencils." Remember?
